

JUNIOR GOLF CLINICS

GOLF CLUB OF DUBLIN (4-14YRS)

All clinics are held at the Golf Club of Dublin and are taught by the following instructors:

Jeff Olson, PGA Head Golf Professional

Ken Corliss, PGA Golf Professional

Krissy Austin, Assistance Golf Professional, PGA Apprentice

Other instructors may teach from sister courses at New Era Golf as needed throughout the summer.

These clinics teach the basic fundamentals and mechanics of the golf swing using irons, hybrids, fairway woods and drivers. The clinics also cover the short game: chipping; pitching, and putting to ensure all areas of the game are given attention. Basic rules of golf, safety, and golf etiquette help the juniors gain a better understanding of all aspects of this great game.

Clinic fees include all of the range balls needed for the class, as well as instruction and time on the range.

Junior golfers may bring their own clubs, or utilize the clubs provided by the Club.
